A PROPOSED MODEL OF A HEALTHY CHURCH

It is our prayer that this Church Health Survey will help you lead your church to be healthy in the areas of worship, evangelism, discipleship, ministry, prayer, and fellowship. While no single model of a healthy church is a perfect one, below is the model that the Lawless Group follows. The model is based on the Great Commission (Matt. 28:18-20), the Great Commandment (Matt. 22:34-40), the early church described in the book of Acts (Acts 2:41-47), and the theological/practical emphases of the book of Ephesians.

For more information, see the book *Disciplined Warriors* (Grand Rapids: Kregel, 2002), by Chuck Lawless.
